 - Effect of Implementing Continuous Care Model on Health-Related Behaviors and Quality of Life among Women with Preeclampsia. Egyptian Journal of Health Care (EJHC), Volume 11, Number 4. 2020.
 - Effect of Palliative Care Training Package on Nurses' Performance regarding Gynecologic Cancer. Egyptian Journal of Health Care (EJHC), Volume 12, Number 3.2021
 - Effect of Health Belief Model-based Educational Intervention on COVID-19 Preventive Behaviors among Pregnant Women.

Tanta Scientific Nursing Journal (TSNJ), Volume 24, Number 1 (suppl).2022.

Scientific conferences:

- Participation in a presentation entitled "Reproductive Health in Women with Diabetes" in the First International Conference on Nursing, Faculty of Nursing - Beni Suef University, held on April 26, 2016.
- Positive participation in the activities of the scientific conference for the Graduate Studies and Research Sector in cooperation with the Education and Student Affairs Sector, entitled "Towards Building a Strategy to Transform the Student into a Researcher", which was held on Tuesday, November 8, 2016.
- Participation in a conference entitled "Bridging the Gaps in Oncology" held at the National Cancer Institute, Cairo University, in cooperation with the Multidisciplinary Oncology Forum, Michigan State University (Faculty of Osteopathic Medicine) and Karmanos Cancer Institute (Wayne State University) from 9-11 November 2016.
- Active participation in a presentation entitled "Body Image and Impotence for Women with Breast Cancer" in the Ninth International Conference on Breast Cancer, Gynecology, and Immunology from January 19-20, 2017.
- Positive and effective participation in the 19th Annual Conference of Hepatology, Gastroenterology and Fever, which was organized by the Egyptian Society of Hepatology, Gastroenterology and Fever in Qalyubia, held on January 26, 2017.
- Positive and effective participation in the first forum for the development of education under the title "Towards a better education" at Benha University, which was held in February 2017.
- Participation in a presentation entitled "Sexual weakness in women undergoing fertility treatment" in the third annual conference of the Maternal and Infant Health Nursing Department - Faculty of Nursing, Beni Suef University, under the title "Mother's Health Needs", which was held on Tuesday, February 28, 2017.
- Participation in a presentation entitled "Healthy Obstetric Practices" in the third annual conference of the Maternal and Infant Health Nursing Department - Faculty of Nursing, Beni Suef University, under the title

- "Mother's Health Needs", which was held on Tuesday, February 28, 2017.
- Positive participation in the activities of the International Scientific Conference of the Center for Capacity Development of Faculty Members and Leaders at Benha University entitled "Developing the training system and ensuring the quality of professional development and institutional work", which was held on Thursday, March 9, 2017.
 - Participation in the Fifteenth Annual International Conference of the Egyptian Society for the Study of Liver and Gastrointestinal Diseases in cooperation with the National Liver Institute and the Egyptian Syndicate of Nurses entitled "Multidisciplinary Practice of Liver and Digestive Diseases in 2017 and Beyond", held from 15-16 March 2017.
 - Participation in a scientific research presentation entitled "Perception and Attitudes of Women with Diabetes with regard to Pre-Conception Care and the Risks of the Mother and the Fetus" in the Twenty-first Arab Conference on Diabetes, held from March 21-24, 2017.
 - Participation as a coordinator in the activities of the Twenty-first Arab Conference on Diabetes, held from March 21-24, 2017.
 - Participation in my poster in the Second International Scientific Conference entitled "The Role of Nursing in Governance and Improving Global Health" at Beni Suef University, which was held on Sunday, May 7, 2017.
 - Participation as a speaker during the first annual conference for infection control under the title "Nursing between Reality Challenges and Future Aspirations" held at Benha Fever Hospital in cooperation with the Egyptian Society of Hepatology, Gastroenterology and Fever and the Faculty of Nursing - Benha University on May 25, 2017.
 - Participation in a poster entitled "Emotional Intelligence and Clinical Competencies of Maternity Nursing Students" in the Ninth International Scientific Conference on Nursing under the title "Paving the Way for Progressive Thinking for the Nursing Profession" at the Faculty of Nursing - Helwan University, held from 23-24 April 2017.
 - Participation as a member of the Quality and Documentation Committee in the fourth and first international annual scientific conference under the title "Nursing in Generation (y) Challenges and Opportunities" for the Faculty of Nursing - Benha University in cooperation with the Psychological Intelligence Foundation in

- Hertford, United Kingdom, which was held on Wednesday, July 19, 2017.
- Participation as chair of a scientific session in the fourth and first international annual scientific conference under the title "Nursing in Generation (y) Challenges and Opportunities" of the Faculty of Nursing - Benha University in cooperation with the Psychological Intelligence Foundation in Hertford, United Kingdom, which was held on Wednesday, July 19, 2017.
 - Participation as a speaker in the sixth and international conference under the title "Health, Mobile Phones and Universal Use in Nursing" for the Department of Adult Health Nursing - Helwan University, held on November 28, 2017.
 - Participation in my scientific poster entitled "The Impact of an Educational Program on the Quality of Nursing Care Provided in the Management of Postpartum Hemorrhage" in the Second Regional Conference on Diabetes Together to Protect Our Society for the Saudi Commission for Health Specialties, held from 8-10 January 2018.
 - Active participation in the activities of the Second International Scientific Conference under the title "Creative Training: Realistic Visions and Future Ambitions" of the Center for the Development of the Capabilities of Faculty Members and Leaders at Benha University, which was held on Thursday, March 15, 2018.
 - Participation as chair of a scientific session in the Fifth and Second International Scientific Conference under the title "New Developments in Nursing Science and Practice" Nursing Vision 2030" of the Faculty of Nursing at Benha University, which was held on Tuesday, July 17, 2018.
 - Participation in the Organizing Committee of the Fifth and Second International Scientific Conference under the title "New Developments in Nursing Science and Practice" Nursing Vision 2030" of the Faculty of Nursing at Benha University, which was held on Tuesday, July 17, 2018.
 - Participation in a scientific poster in the Fifth and Second International Scientific Conference entitled "New Developments in Nursing Science and Practice" Nursing Vision 2030" of the Faculty of Nursing at Benha University, which was held on Tuesday, July 17, 2018.
 - Participation in the first quality conference of the Faculty of Medicine, Benha University, from 1-3 October 2018.

- Participation in a presentation entitled "Cervical Cancer Screening Using Pap Test" in the Fifth Scientific Conference entitled "Bridging the Gap between Research and Practice in Maternal Health Services" for the Department of Maternal and Newborn Health Nursing at Helwan University, held on November 26, 2018.
- Active participation by giving a lecture in the seventh and international conference under the title "Using Technology to Enhance Patient Safety" for the Department of Adult Health Nursing at Helwan University on December 11, 2018.
- Attending and actively participating in the twenty-first annual conference in Benha for Hepatology, Gastroenterology, and Infectious Diseases, which was organized by the Egyptian Society of Hepatology, Gastroenterology and Infectious Diseases in Qalyubia, held on December 13, 2018.
- Participation in the presentation and publication of a scientific research entitled "An evaluation study of the impact and returns of training in the field of strategic planning" at the International Conference for the Development of Higher Education in the Light of Global Changes and Standards at Benha University, from January 22-23, 2019.
- Participation as an organizer in the Sixth and Third International Scientific Conference under the title "Voice of Nursing: International Standards and Competencies" for the Faculty of Nursing at Benha University, which was held on Wednesday, July 31, 2019.
- Participation as a speaker in the sixth and third international scientific conference under the title "Voice of Nursing: International Standards and Competencies" for the Faculty of Nursing at Benha University, which was held on Wednesday, July 31, 2019.
- Participation as chair of a scientific session in the Sixth and Third International Scientific Conference under the title "Voice of Nursing: International Standards and Competencies" of the Faculty of Nursing, Benha University, which was held on Wednesday, July 31, 2019.
- Participation in a presentation entitled "Education in Obstetric Nursing: Approaches between theory and practice" and "the integrative relationship between theoretical and practical skills for maternal and neonatal health care" in the Sixth Scientific Conference under the title "The Development of Nursing Based on Modern Scientific Evidence" for the Department of Maternal and Newborn Health Nursing Helwan University, held on November 25, 2019.

- Active participation in the third annual and first international scientific conference under the title "New Horizons in Obstetrics and Gynecology Nursing and Women's Health" for the Department of Obstetrics and Gynecology Nursing at the Faculty of Nursing - Zagazig University in cooperation with Professor Hacourt University in Nigeria, and Misr University for Science and Technology, held on December 3, 2019.
- Participation in the presence of Medhealth 2020 in Cairo in the twenty-second edition of the Federation of Hospitals, which was held at the Semiramis Intercontinental Hotel - Egypt, in conjunction with the meeting of the Council of Arab Health Ministers held on February 26, 2020.
- Participation in giving a scientific lecture entitled "Virtual Reality in Nursing Education" at the thirteenth and second international annual conference under the title "New Horizons in Nursing Care" of the Faculty of Nursing, Zagazig University, held from March 9-10, 2020.
- Participation in the virtual international conference entitled "Professional Publishing in Nursing" for the Continuing Nursing Excellence Center in Bangalore, on August 10, 2020.
- Participation in the virtual international conference entitled "Critical Care Nursing Management for the Covid 19 Pandemic" of the Continuing Nursing Excellence Center in Bangalore, on September 7, 2020.
- Participation in the first multidisciplinary virtual international conference entitled "Maintaining a safe life during the pandemic", organized by the Biological Sciences Research Support Foundation (Online) and held from 24-27 September 2020.
- Participation in the virtual training conference entitled "Improving Research Skills for Students and Young Researchers" of the Medical Sciences Research Support Foundation, held from October 9-10, 2020.
- Participation in attending the seventh international and first virtual scientific conference entitled "Capacity Development for Nursing Research and Practice" at the Faculty of Nursing - Menoufia University from 16 to 17 November 2020.
- Participation in the twenty-sixth annual virtual international conference under the title "On New Trends and Developments in the Field of Women's Reproductive Health", approved by the European Accreditation Council for Continuing Medical Education and the Arab

- Committee for Accreditation of Professional Programs, held from November 26-27, 2020.
- Participation as an organizer in the seventh and fourth international annual conference under the title "Future view of nursing innovation with sustainable development" of the Faculty of Nursing, Benha University, held (online) on December 21, 2020.
 - Active participation in a presentation entitled "The Path of Scientific Research for the Covid-19 Pandemic" in the Seventh International Conference on Nursing, Faculty of Nursing, Mansoura University, held on February 24, 2021.
 - Participation in a research summary in the second scientific conference on maternity, obstetrics and gynecology under the title "New Horizons towards Maternity and Childbirth Nursing" at the Faculty of Nursing - Port Said University, held on April 1, 2021.
 - Participation in the Fourth Virtual International Conference on Health Care and Allied Sciences under the title "Good Health and Well-being - Ensuring a Healthy Life and Promoting Well-Being for All at All Ages" of Lincoln University College, Malaysia in cooperation with the Visayas State University, Philippines, held from April 3-4, 2021.
 - Participation in the Sixth Virtual International Conference at the College of Nursing, University of Kufa - Republic of Iraq in cooperation with the College of Nursing, Mansoura University - Arab Republic of Egypt, on May 18, 2021.
 - Participation in attending the first and second international scientific conference in the field of obstetrics and gynecology nursing 2021 innovations in obstetrics and gynecology nursing at Zagazig University, on June 1, 2021.
 - Participation in the fourth and first virtual scientific conference under the title "Challenges of Virtual Nursing Education and Future Opportunities" at the Faculty of Nursing - Sohag University, which was held on July 27, 2021.
 - Participation in the fourth and first virtual scientific conference under the title "Challenges of Virtual Nursing Education and Future Opportunities" at the Faculty of Nursing - Sohag University, which was held on July 27, 2021 AD.
 - Participation in the seventh scientific conference under the title "New Horizons in Maternal Nursing Research and Practices" of the

- Department of Maternal and Newborn Health Nursing at Helwan University, which was held on March 28, 2022.
- Participation as a session chairperson in the eighth annual and fifth international scientific conference under the title "Climate Changes and Challenges in Nursing: The Era of Artificial Intelligence" of the Faculty of Nursing, Benha University, which was held on Thursday, November 3, 2022.
 - Participation in the conference, the tenth international conference under the title "The Nursing Profession and the Challenges of Global Climate Change: A Call to Action" at the Faculty of Nursing, Helwan University, which was held on December 19-20, 2022

Workshops and scientific seminars:

- Participation as a coordinator in the activities of the workshop entitled "Plagiarism and how to treat it" on Sunday, November 20, 2016.
- Participation as a coordinator in the activities of the workshop entitled "Egyptian Knowledge Bank" on Sunday, November 27, 2016.
- Participation in a workshop entitled "How to update the curriculum vitae and the websites of faculty members and their assistants on the university's website" on Sunday, February 26, 2017.
- Participation in a workshop entitled "Legal Aspects of Faculty Members" on Monday, March 6, 2017.
- Participation as a coordinator in the activities of the workshop entitled "How to address the problems of scientific plagiarism" on Wednesday, April 5, 2017.
- Participation in attending the workshop "How to address the problems of scientific plagiarism" on April 25, 2017.
- Participation as an organizer in a workshop entitled "Extracting the scientific paper from the thesis" on Sunday, September 10, 2017.
- Participation as a coordinator of a workshop entitled "Statistical Analysis" on Tuesday, April 10, 2018.
- Participation as a coordinator of a workshop entitled "Training to Update Faculty Site Data" on Sunday, May 6, 2018.
- Participation as a coordinator of a workshop entitled "New Strategies in Higher Education" on Tuesday, May 29, 2018.

- Participation as a coordinator of a workshop entitled "Preparation of the annual report according to the third edition 2015" on Sunday, September 2, 2018.
- Participation in the Scopus workshop on December 25, 2018.
- Participation in attending a workshop entitled "Development Labs between Theory and Application" at the Central Unit for Strategic Planning at Benha University, on December 26, 2018.
- Participation in a workshop entitled "Capacity Building for Research Ethics" organized by the Central Administration for Research and Health Development - the Egyptian Mawhib Network for Research Ethics Committees at the Faculty of Human Medicine - Benha University, on April 21, 2019.
- Participation in the workshop entitled "External Audit: Skills and Secrets" by the National Authority for Quality Assurance and Accreditation of Education June 11, 2019.
- Participation in the workshop entitled "The Harmonization of Outputs with the Requirements of the Labor Market" at the Faculty of Engineering - Benha University, on Thursday, December 27, 2019.
- Participation in the online workshop entitled "Basics of Biomedical Statistics" for Research Support Center at Helwan University, on Monday, July 27, 2020.
- Participation in a symposium entitled "Meta-Analysis: Basic Concepts" of the Research Support Center - Helwan University via the Internet, on Monday, September 14, 2020.
- Participation in the scientific webinar entitled "Advice for Scientific Publishing" of the Research Support Center - Helwan University via the Internet, on Saturday, October 3, 2020.
- Participation in the scientific webinar entitled "Explanation of the regulations of the thirteenth session for the promotion of faculty members" Part One" of the Research Support Center - Helwan University via the Internet, on Saturday, October 17, 2020.
- Participation in the scientific webinar entitled "Explanation of the regulations of the thirteenth session for the promotion of faculty members" Part Two" of the Research Support Center - Helwan University via the Internet, on Saturday, October 24, 2020.

- Participation in the scientific webinar entitled "Enhance your research with the Ambassador: Choosing a journal for publication and open access models", the National Research Center, Cairo, Egypt online, on November 5, 2020.
- Participation in the scientific webinar entitled "Enhance your research with the Ambassador: Discover research metrics on Scopus and the updated and spring results", the National Research Center, Cairo, Egypt online, on November 26, 2020.
- Participation in the scientific webinar entitled "Creativity and Scientific Research" via the electronic platform IFAD - Zoom application on December 4, 2020.
- Participation in the scientific webinar entitled "The Structure of the Scientific Logical Manuscript" of the Research Support Center - Helwan University via the Internet, on Saturday, January 9, 2021.
- Participation in the scientific webinar entitled "Professional Peer Review" held during the National Research Center, Cairo on the Internet on Thursday, February 4, 2021.
- Participation in the scientific webinar entitled "Forms of Academic Misconduct: Focus on Plagiarism" of the Research Support Center - Helwan University online, on Saturday, February 6, 2021.
- Participation in a workshop entitled "Preparation of a Scientific Research Plan", which was held via the electronic platform IFAD - Zoom application on February 9, 2021.
- Participation in the scientific webinar entitled "Educational leadership in light of crises: the Corona pandemic", which was held via the electronic platform IFAD - Zoom application on February 10, 2021.
- Participation in the scientific lecture entitled "Techniques of Writing a Scientific Biography for Researchers and Academics", which was held via the electronic platform, EAD, on February 18, 2021.
- Participation in the scientific webinar entitled "Applied Statistics in the Human Sciences using SPSS Program" for Research Support Center - Helwan University via the Internet, on Saturday, February 27, 2021.
- Participation in the scientific webinar entitled "Preparation of Statistical Data and Calculating the Sample Size", which was held during the National Research Center Egypt via the Internet, on March 3, 2021.

- Participation in the scientific webinar entitled "Prospects for the application of total quality in higher education institutions", which was held via the electronic platform IFAD - Zoom application on March 4, 2021.
- Participation in the scientific webinar entitled "Total Quality Management: Philosophy and Application", which was held via the electronic platform IFAD - Zoom application on March 8, 2021.
- Participation in the scientific webinar entitled "Statistical analysis of questionnaire data designed to measure facts in social research", which was held via the electronic platform IFAD - Zoom application on March 10, 2021.
- Participation in the scientific webinar entitled "Facts and Myths about Breastfeeding" held during the National Research Center, Cairo, Egypt online and held on Tuesday, March 11, 2021
- Participation in the scientific webinar entitled "Scientific Research: Problems and Observations", which was held via the electronic platform IFAD - Zoom application on March 12, 2021.
- Participation in the scientific webinar entitled "Strategies for scientific publishing in international journals", which was held via the electronic platform IFAD - Zoom application on March 13, 2021.
- Participation in the scientific lecture entitled "Types of data and their relationship to statistical methods and programs", which was held via the electronic platform IFAD - Zoom application on March 16, 2021.
- Participation in the international scientific symposium entitled "Visual-tactile reproduction technology: a new path for the future teacher" through Naseej Academy, which was held online on March 17, 2021.
- Participation in the electronic training workshop entitled "Creating an electronic test using multiple forms", which was held via the electronic platform IFAD - Zoom application on March 18, 2021.
- Participation in the scientific lecture entitled "Preparation of Strategic Plans", which was held via the electronic platform IFAD - Zoom application on March 20, 2021.
- Participation in the electronic training workshop entitled "Self-confidence skills, self-development and mental arithmetic", which was held via the electronic platform IFAD - Zoom application on March 22, 2021.

- Participation in the scientific lecture entitled "Modern Trends in Qabas, the validity and stability of resolution in scientific research", which was held via the electronic platform IFAD - Zoom application on March 24, 2021.
- Participation in the scientific lecture entitled "Scientific Research Culture and Ethics", which was held via the electronic platform IFAD - Zoom application on March 26, 2021.
- Participation in the electronic training workshop entitled "Techniques for using the interactive electronic wall, held via the electronic platform IFAD - Zoom application on March 28, 2021.
- Participation in the scientific lecture entitled "Methods of Measuring the Validity and Stability of the Study Tool", which was held via the electronic platform IFAD - Zoom application on March 30, 2021.
- Participation in the webinar entitled "Culture of Fatigue in Health Care" for the Competency Assurance Management System Training Unit at the Saudi College of Applied Medical Sciences online, on March 31, 2020.
- Participation in the scientific lecture entitled "Scientific Research between Preparation and Supervision", which was held via the electronic platform IFAD - Zoom application on April 2, 2021.
- Participation in the electronic training workshop entitled "Interactive Worksheet Making", which was held via the electronic platform IFAD - Zoom application on April 5, 2021.
- Participation in the scientific lecture entitled "Selecting the topic and setting the initial plan for scientific research", which was held via the electronic platform IFAD - Zoom application on April 6, 2021.
- Participation in the scientific lecture entitled "Factor Analysis and its Importance in Analyzing Scientific Questionnaires", which was held via the electronic platform IFAD - Zoom application on April 7, 2021.
- Participation in the electronic training workshop entitled "Strategies for Success", which was held via the electronic platform IFAD - Zoom application on April 8, 2021.
- Participation in the electronic training workshop entitled "Research arbitration and discussion of messages: an applied theoretical approach", which was held via the electronic platform IFAD - Zoom application on April 9, 2021.

- Participation in the scientific lecture entitled "Crisis Management: The Role of Leadership and Success Factors", which was held via the electronic platform IFAD - Zoom application on April 10, 2021
- Participation in the lecture entitled "Problems of Scientific Research" held via the electronic platform IFAD - Zoom application on April 11, 2021.
- Participation in the scientific lecture entitled "Digital Transformation Techniques in the Age of Corona", which was held via the electronic platform IFAD - Zoom application on April 13, 2021.
- Participation in the scientific lecture entitled "Secrets of Scientific Publishing and International Classification", which was held via the electronic platform IFAD - Zoom application on April 14, 2021.
- Participation in the scientific lecture entitled "Educational performance in universities and its impact on scientific research", which was held via the electronic platform IFAD - Zoom application on April 16, 2021.
- Participation in the scientific lecture entitled "Common grammatical, morphological and spelling errors in scientific writing" held via the electronic platform IFAD - Zoom application on April 18, 2021.
- Participation in the scientific lecture entitled "How to use Edpuzzle technology in distance learning", which was held via the electronic platform IFAD - Zoom application on April 21, 2021.
- Participation in the scientific lecture entitled "obstacles to choosing the topic of a doctoral thesis, causes and solutions", which was held via the electronic platform IFAD - Zoom application on April 22, 2021.
- Participation in the scientific lecture entitled "Application of Augmented and Virtual Reality in Education" held via the electronic platform IFAD - Zoom application on April 28, 2021.
- Participation in the scientific lecture entitled "Introduction to Scientific Research: Its Elements and How to Write It", which was held via the electronic platform, Dispatch - Zoom application, on April 29, 2021.
- Participation in the scientific lecture entitled "Scientific Research: Challenges and Solutions", which was held via the electronic platform - Zoom application on April 30, 2021.
- Participation in the international scientific symposium entitled "Developing Scientific Publishing in the Arab World - Suggested

- Realistic Solutions", which was held via the electronic platform IFAD - Zoom application on May 6, 2021.
- Participation in the scientific lecture entitled "The Scientific Lecture - Problems of Presentation, Presentation and Calendar", which was held via the electronic platform IFAD - Zoom application on May 7, 2021.
 - Participation in the training workshop entitled "Reviewing the previous literature in scientific research using (ATLAS.ti), which was held via the electronic platform - Zoom application on May 15, 2021.
 - Participation in the scientific lecture entitled "Scientific Research between the Philosophy of Science and its History", which was held via the electronic platform IFAD - Zoom application on May 21, 2021.
 - Participation in the scientific workshop entitled "Effective Communication Skills" held via the electronic platform IFAD - Zoom application on May 23, 2021.
 - Participation in the scientific workshop entitled "Quality of Administrative Performance", which was held via the electronic platform IFAD - Zoom application on May 30, 2021.
 - Participation in the scientific lecture entitled "Skills and Tools of the Scientific Researcher in the Era of Digital Transformation", which was held via the electronic platform IFAD - Zoom application on June 1, 2021.
 - Participation in the scientific lecture entitled "Quality of Education and Scientific Research", which was held via the electronic platform IFAD - Zoom application on June 11, 2021.
 - Participation in the scientific lecture entitled "Skills of Using Internet Applications in Scientific Research", which was held via the electronic platform IFAD - Zoom application on June 15, 2021.
 - Participation in the workshop entitled "Number your research identity" at the Scientific Research Development Unit at Tanta University via the Internet, on June 16, 2021.
 - Participation in the scientific lecture entitled "Time management skills and their necessity in scientific research", which was held via the electronic platform IFAD - Zoom application on June 18, 2021.
 - Participation in the scientific webinar entitled "The Role of Scientific Research in Facing Rumors and False News on the Internet" of the

- Research Support Center - Helwan University via the Internet, on Saturday, June 19, 2021.
- Participation in the scientific lecture entitled "Determinants of the Quality of Scientific Life for an Academic Investigator", which was held via the electronic platform IFAD - Zoom application on June 22, 2021.
 - Participation in the training workshop entitled "Techniques for preparing scientific research for publication", which was held via the electronic platform IFAD - Zoom application on June 28, 2021.
 - Participation in the scientific lecture entitled "Research Footprint-Concept and Application" held via the electronic platform IFAD - Zoom application on July 6, 2021.
 - Participation in the scientific lecture entitled "Mechanisms of Thinking between the Brightness of the Mind and the Conquests of Research", which was held via the electronic platform IFAD on July 9, 2021.
 - Participation in the scientific lecture entitled "Elements of Scientific Research" held via the electronic platform IFAD - Zoom application on July 12, 2021.
 - Participation in the scientific lecture entitled "Writing Skills and Research Editing", which was held via the electronic platform IFAD - Zoom application on July 16, 2021.
 - Participation in the scientific symposium entitled "The Role of Scientific Institutions in Supporting Scientific Research", which was held via the electronic platform. Dispatch with the participation of the Step Foundation for Consultations and the International Omran Index - Zoom application on July 17, 2021.
 - Participation in the scientific lecture entitled "The Research Gap and Scientific Additions", which was held via the electronic platform IFAD - Zoom application on July 27, 2021.
 - Participation in the scientific lecture entitled "Implementation of the Mind and the Mechanism of Thinking in Scientific Research and Life", which was held via the electronic platform, EAD, on July 30, 2021.
 - Participation in the scientific lecture entitled "Building a Scientific Research Plan", which was held via the electronic platform IFAD - Zoom application on August 1, 2021.

- Participation in the scientific lecture entitled "References and Sources in Scientific Research between Employment and Documentation", which was held via the electronic platform, EAD, on August 3, 2021.
- Participation in the scientific lecture entitled "Scientific methodologies between tradition and innovation: Statistics as a model", which was held via the electronic platform IFAD on August 10, 2021.
- Participation in the scientific lecture entitled "Communication Skills and Scientific Research", which was held via the electronic platform IFAD - Zoom application on September 3, 2021.
- Participation in the scientific lecture entitled "Digital Tools for the Scientific Researcher", which was held via the electronic platform IFAD - Zoom application on September 9, 2021.
- Participation in the scientific lecture entitled "Analytical Thinking in Scientific Research", which was held via the electronic platform IFAD - Zoom application on September 16, 2021.
- Participation in the scientific lecture entitled "Introduction to Statistical Analysis - SPSS Program", which was held via the electronic platform IFAD - Zoom application on September 30, 2021.
- Participation in the scientific lecture entitled "Methodologies of Employing Previous Studies in Scientific Research", which was held via the electronic platform Dispatching - Zoom application on May 15, 2022.
- Participation in the scientific lecture entitled "Writing and Publishing Scientific Articles in the Scopus Database", which was held through the electronic platform Dispatch - Zoom application on July 12, 2022.
- Participation in the scientific lecture entitled "Determinants of the use of artificial intelligence (ChatGPT) in scientific research and academic and educational work", which was held through the electronic platform Dispatching - Zoom application on February 8, 2023.
- Participation in the scientific lecture entitled "Precautions for using artificial intelligence in scientific writing and academic work", which was held through the electronic platform Dispatching - Zoom application on February 12, 2023.

Training courses:

- Participation as a trainer in the following training programs "Self-Assessment and External Audit - Total Quality Management - Quality Standards in the Teaching Process - Ethics of Scientific Research" held at the Faculty and Leadership Development Center at Benha University.
- Attending the training course entitled "Introductory Course for External Auditors for Pre-University Education Institutions" from the Training Management Center of the Authority, from March 26-29, 2012.
- Passing the training course for the "self-assessment and external review" program from the Center for Capacity Development of Faculty Members and Leaders affiliated with Benha University, and the number of program hours is 15 hours, from 28-30 August 2012.

 - Participation in the training course entitled "Types and Concepts of Quality Assurance and Accreditation in Colleges TOT", which was held at Banque Misr Hall, at the University Administration in Benha, which was organized by the Quality Assurance and Accreditation Center on April 19, 2018.
 - Participation in the training course entitled "Academic Advising, its requirements and how to apply it TOT", which was held at the Banque Misr Hall at the University Administration in Benha, which was organized by the Quality Assurance and Accreditation Center on April 23, 2018.
 - Participation in the training course entitled "The Role of the University Student towards Quality Assurance and Accreditation", which was held at Banque Misr Hall at the University Administration in Benha, which was organized by the Quality Assurance and Accreditation Center on April 26, 2018.
 - Participation in the training course entitled "Updating Teaching and Learning Strategies According to Faculties Accreditation Standards Third Edition 2015" held at Banque Misr Hall at the University Administration in Benha and organized by the Quality Assurance and Accreditation Center on September 10, 2018.
 - Participation in the training course entitled "Skills for preparing program reports, courses and improvement plans" at Banque Misr Hall at the University Administration in Benha, which was organized by the

- Quality Assurance and Accreditation Center from 12-13 September 2018.
- Participation in the training course entitled "Leadership and Governance as one of the Accreditation Standards for Colleges and Higher Education Institutes - Third Edition, July 2015" at Banque Misr Hall at the University Administration in Benha, which was organized by the Quality Assurance and Accreditation Center from 24 to 25 September 2018.
 - Participation in the training course entitled "KPI Performance Assessment for Quality Systems in Higher Education Institutions", which was held at Banque Misr Hall at the University Administration in Benha, which was organized by the Quality Assurance and Accreditation Center on September 26, 2018.
 - Participation as a coordinator in the training course entitled "Mechanisms for applying development labs in following up on the implementation of strategic plans for university faculties," which was held at the headquarters of the Central Unit for Strategic Planning, Faculty of Computers and Information, Benha University, on Thursday, October 25, 2018.
 - Participation in the training course entitled "Preparing the test item for the faculties of the health sector" at the basic level, held at Benha University, from 13-14 July 2019.
 - Passed the training course entitled "Methods of Measurement and Evaluation and the Preparation of Test Item for the Health Sector", which was held at the Measurement and Evaluation Center in the Project Management Unit, the development of higher education, in cooperation with the Supreme Council of Universities, within the framework of the plan to activate the hybrid education system in Egyptian universities and held via the Internet, from 9-10 September 2020.
 - Participation in the training course entitled "University Examinations and Digital Question Banks" within the framework of the DAAD Kairo Akademie's online activities, on October 19, 2020.
 - Participation in the training course "Future Orientalism for Entrepreneurship and Future Opportunities for Work", held through the Office of Innovation Support, Technology Transfer and Marketing,

- Tyco University, Benha University, via the Zoom platform, from February 13-15, 2021.
- Participation in the training course entitled "Scientific Research Tools and Techniques and Journals Databases", which was held at the Yemeni Embassy in the link and the Yemeni Forum for Scientific Research and Sustainable Development via the Internet, on April 23, 2021.
 - She passed the training course entitled "Preparing the test item for the medical sector" within the plan of implementing the national system for electronic tests, which was held at the Measurement and Evaluation Center in the Higher Education Development Projects Management Unit via the Internet, on May 9, 2021.
 - The training course entitled "Measurement and evaluation methods and the preparation of the test item for the health sector" was passed by the Measurement and Evaluation Center in the Higher Education Development Projects Management Unit and in cooperation with the Supreme Council of Universities, within the framework of the plan to activate the hybrid education system in Egyptian universities, which was held online on 9-10 September 2020.
 - The training diploma entitled "International Scientific Publishing" from the platform of researchers and academics passed the dispatch of one of the companies of the Wining Strategic Group in Turkey, which was held via the electronic platform with 24 training hours, from 15-22 August 2021.
 - •
 - The training diploma entitled "Preparation of Scientific Research" from the platform of researchers and academics passed the dispatch of one of the Wining Strategic Group companies in Turkey, which was held via the electronic platform for 24 training hours, from 15-25 September 2021.
 - The training diploma entitled "Total Quality Management" from the platform of researchers and academics passed the dispatch of one of the companies of the Wining Strategic Group in Turkey, which was held via the electronic platform for 24 training hours, from September 27 to October 3, 2021.
 - The training diploma entitled "Statistical Analysis of Data" from the platform of researchers and academics passed the dispatch of one of the

Winning Strategic Group companies in Turkey, which was held via the electronic platform, with 27 training hours, from 1-7 October 2021.

Scientific days:

- Participation as the head of a scientific session in the second scientific day entitled "Women's Health towards a Better Life" for the Department of Obstetrics and Gynecology Nursing, Faculty of Nursing - Benha University, on April 24, 2017.
- Participation as a coordinator in the second scientific day entitled "Women's Health towards a Better Life" for the Department of Obstetrics and Gynecology Nursing, Faculty of Nursing - Benha University, on April 24, 2017.
- Participation as a speaker in the second scientific day entitled "Women's Health towards a Better Life" for the Department of Obstetrics and Gynecology Nursing, Faculty of Nursing - Benha University, on April 24, 2017.
- Participation as a coordinator in the third scientific day entitled "Modern Trends in Women's Health Nursing" for the Department of Obstetrics and Gynecology Nursing, Faculty of Nursing - Benha University 27, on November 27, 2017.
- Participation as a speaker in the third scientific day entitled "Modern Trends in Women's Health Nursing" for the Department of Obstetrics and Gynecology Nursing, Faculty of Nursing - Benha University, on November 27, 2017.
- Participation as the head of a scientific session in the scientific day entitled "Modern in Pediatric Nursing" for the Department of Pediatric Nursing, Faculty of Nursing - Benha University, on April 17, 2018.
- Participation as the head of a scientific session on the fourth scientific day entitled "Advanced Technology in Maternal Nursing" of the Department of Obstetrics and Gynecology Nursing at Benha University, on February 25, 2019.
- Participation as a speaker entitled "Sexual problems for women with breast cancer" on the fourth scientific day entitled "Advanced Technology in Maternity Nursing" for the Department of Obstetrics and Gynecology Nursing at Benha University, on February 25, 2019.

- Participation as organizer and lecturer in the fifth scientific day entitled "Evidence-Based Practice in Obstetric Emergencies" of the Obstetrics and Gynecology Nursing Department, Benha University, on October 30, 2019.

Quality and strategic planning work activities:

- Held the position of Deputy Director of the Quality and Accreditation Center for Administrative, Financial Affairs and Councils at Benha University from 2016 to 2019.
- Held the position of Deputy Director of the Quality Assurance Unit at the Faculty of Nursing, Benha University, since the 2016/2017 academic year until now.
