Qualification

Institution and Location	Degree-Position	Year	Field of study
Faculty of Nursing , Benha University, Egypt	Professor	2019,July	Medical surgical Nursing
Faculty of Nursing , Benha University, Egypt	Assistant Prof.	2010	Medical-Surgical Nursing
Faculty of Nursing , Benha University, Egypt	Lecturer	2001	Medical-Surgical Nursing
Faculty of Nursing , Benha University, Egypt	PhD.	2000	Medical-Surgical Nursing
Assiut University Egypt Faculty of Nursing	Assistant Lecture	1993	Medical-Surgical Nursing
Assiut University Egypt Faculty of Nursing	M.SC.	1993	Medical- Surgical- Nursing
American University , Cairo , Egypt	Diploma Course	1991	Medical Record Administration
Clinical Instructors, Faculty, of Nursing, Assiut University	Clinical teaching	1990	Fundamentals of Nursing, Medical – surgical Nursing and public health nursing
Assiut University Hospital, Egypt	Internship	1988	Training on Critical Care Units
Assiut University, Egypt	B.SC	1987	General Nursing Science
Arab Center for administrative Development and Strategic Studies, February – March, 2019.	Diploma, (100) Training Hours	2019	The Leaders Preparation in -Crisis and Disaster, -Time management, -decision making, -problem solving and -Strategic planning sessions

Lending in the Libya from 2003 – 2009- Vacation accompanied couple during years served as an assistant Professor Degree from 2009 till August 2016.

Academic Works:

- ❑ Head of the Medical- surgical Nursing Department, Faculty of Nursing, Benha University, November, 2020 till 2023.
- ❑ Medical – Surgical Nursing Department Works facilitator (August, 2017 – 30 September, 2018 and from February 2020 till November 2020, Faculty of Nursing, Benha University
- ❑ Coordinator in Medical – Surgical Nursing Department (1-9-2016 till August – 2018 Faculty of Nursing, Benha University.

General Scientific Participations

- ❑ Arbitrator and Assessor in the Journal of Nursing Science Benha University- Faculty of nursing, Benha University 2021 and 2022
- ❑ Arbitrator and Assessor for the research of the postgraduate students and the researchers at Faculty of nursing international conferences journals., 2019-2020, 2020-2021, and 2021-2022.
- ❑ Arbitrator and assessor for researchers in the permanent Scientific Committee three tenth for Nursing to promote professor and assistant professor at the Supreme Council of Universities. 2021 – 2022.
- ❑ Member in The Afro-Asian Union for Professional and Technical Preparation
- ❑ American Global Training Board, Certification of Training, 2022.
- ❑ Member in The National Project to preserve the entity of the Egyptian Family of the Ministry of Social Solidarity at Benha University, 2022.
Arab Republic Egypt - The Ministry of Social Solidarity

Scientific and Administrative Work and Activities

1- Medical- Surgical Nursing Department Works

i . Development Courses (Curriculum)

- ❑ Development Curriculum and Courses of Medical Surgical Nursing.
- ❑ Participate in Develop research plan, 2017, 2022
- ❑ Participate in the Development curriculum for the specialized technical program of critical care nursing 2017.
- ❑ Participate in Development of the curriculum of the first and second year Medical and surgical Nursing courses, 2017.

- ❑ Responsible for development of program and course specification of intended learning outcomes (2017-2018, 2019- 2020) for first and second years courses.
- ❑ Responsible for development of program and course specifications based on competency learning (2020, 2021) and (2021 – 2022) for first and second

ii. Academic and Scientific Work and activities

Scientific Books for the Students by all the staff members in the Medical – Surgical Department:

- ***Supervision for development of the book for 1st and 2nd Year.***
(Theory and clinical procedure courses 2017- 2018, (2018- 2019)
 - ***First Year*** : - Fundamentals of Nursing (First term)
- Emergency Nursing care (Second Term)
 - ***Second Year:*** - Medical Surgical Nursing (First term)
- Critical Care Nursing (2ndTerm)
- ***Supervision for development of the book for 1st and 2nd Year. (2019- 2020)***
(Theory and clinical procedure courses, Recent regulations
 - ***First Year:*** - Medical –surgical Nursing1 /second Term
 - ***Second year:*** - Medical –surgical Nursing2 / Second Year
- Emergency and Critical Care Nursing / Second Year
- ***Designed the Book at the Institution of Nursing Technician***
 - ***First-Year*** Students First Term (2018- 2019)
- ***Supervision for development of the curriculum based on competence for 1st and 2nd year (Theory and clinical procedure courses in 2020- 2021***
 - ***First Year*** -Fundamentals of Nursing (1st Term)
- Medical Surgical Nursing 1 (2nd Term)
 - ***Second Year:*** -Medical Surgical Nursing (1st Term)
- Emergency and Critical Care Nursing (2nd Term)
- ***Designed Health Assessment Book***
 - First Year Students, 2018-2019 1st Term – Faculty of Nursing
- ***Designed Health assessment book for teaching the specialized technical program of critical care nursing 2nd year (2020-2021)***
- ***Designed Nursing Professional Ethic, at Faculty of Nursing, Benha University. 2nd Year – 1st term 2020-2021***

iii- a.- Supervising for practical training in laboratory skills and clinical area (from 2016 – 2017- till September, 2018 and 2019-2020:

- **First year** (First and Second Terms)
Fundamentals of Nursing and Emergency Nursing
- **Second Year** (First and Second Term)
Medical- Surgical Nursing and Critical Care Nursing.

b- Supervising for practical training in laboratory skills and clinical area

2019- 2020 till 2022 the curriculum based on competence:

- **First year:** (First and Second Term)
Fundamental of Nursing - Medical- Surgical Nursing 1
- **Second year** (First and Second Terms)
Medical- Surgical Nursing 2 and Critical Care and Emergency

v. Formation and supervising of Oral and written Examination Committees of the:

- First Year- 1st Term and 2nd Term (2016 - 2017), (2017 – 2018) -(2019- 2020)
(20-21- 2022 First term)
- Second Year 1st Term - 2nd Term ((2016 – 2017), (2017 – 2018) -(2019- 2020)
(20-21- 2022 First term)

vi. Supervising for all Scientific Student's' activities: (2016 – 2017- till September, 2018 – 20199 till 2022 (First and Second Year Students)

- Assignment and Presentations
- Brochures and Banners for annual work
- Patients' education posters

II. The Quality Works in the Medical Surgical Nursing Department

- ***As the facilitator and then Head of the Medical-Surgical Nursing Department (From 2016 September till 2022.***
- Member of the Broad of Directors of the Quality Assurance Unit, 2017- 2018
- Supervising on the following: (2016 – 2017- till September, 2018 and from 2020 till 2022)
 - Departmental Files (under and post graduate)
 - Courses program, Specifications and Matrix for under graduate.
 - Courses program, Specifications and Matrix for postgraduate studies.
 - The standard of scientific research unit.

- Developing, designing and supervisor for implementing of the Community Participation Planning
- Evaluation of the performance of the faculty members and the teaching load.
- Academic Advising for 2nd year Students
- The Field Training for 1st and 2nd year

III. Teaching Activities

○ Teaching for Undergraduate (Medical Surgical Nursing Department)

- Fundamentals of nursing of the academic first Year, 2020 till 2022 theoretical. Based on competency
- Medical and surgical nursing 1, of the academic First year - second term, from (2018-, (2019 – 2020), (2020-2021) till 2022 based on competency.
- Medical and surgical nursing 2, of the academic second Year-First semester from 2018 – 2019Till 2019-2020. 2021 and 2022 based on competency.
- Critical Care Nursing – Theory- of the academic second year – second term 2018-2019 ,2020 till 2021.
- Fundamentals of nursing of the academic first year2016 - 2017- 2018 and 2019 theory.
- Medical and surgical nursing second year - 1st term 2016,2017, 2018 Theory
- Critical Care Nursing – Theory- of the academic second year – second term (From 1991 till 2003 clinical and theory)(2016- 2017 ,)(2017 – 2018).
- Emergency Nursing of the academic First year -2nd Term from 2000 till 2003 and 2016- 2017 till 2018.
- Medical and surgical nursing of the academic second year - first and second term, theoretical and practical course, from 2001 to June 2003.
- First aid theoretical and practical courses of the academic first year- first term Assiut University, 1990 till 1993 and 2002, 2003 at Benha University.

○ Teaching Supportive Subjects

- Methods of teaching theoretical of the academic third year 2021– 2022. First term
- Nursing Ethics – Theory for 2nd year at Faculty of Nursing Benha University. 2020- 2021.
- Teaching health assessment courses for the specialized technical program of

critical care nursing 2nd year (2020-2021.)

- Teaching health assessment courses for the first year, 2018 – 2019,
- History and Nursing Ethics 2003 of the academic first year- first term.
- Fundamental of Nursing 1st year Technical Institution of Nursing.2017-2018

External Teaching Assignments

- Teaching the basics of nursing first band Technical Institute of Nursing - Benha University First Division 2018 - 2017
 - Nursing literature and nursing problems in Egypt, the Technical Institute of Nursing, Benha University, 2003-2004
 - Nursing Services Administration - Higher Health Institute-Benha University -2002
- **Teaching – Post-graduate**
- Teaching Med. Surg. Nursing for Master’s degree second Part from 2016 till 2021.
 - Rules of Education and Methods of Teaching course for Master degree students- first Part (2017- 2018).
 - Teaching for Master courses of Medical- Surgical Nursing course from 2017 till 2022.
 - Teaching for PhD. courses of general and specific in Medical-Surgical Nursing, 2019 – 2020, 2021- 2022
 - Teaching for PhD. courses of new regulation for PhD stage, concerning introductory subjects, first semester as follow:
 - Teaching for PhD. courses of a new program of the credit hours for PhD stage, introductory subjects at first semester, 2021-2022 as follow:
 - Development of nursing services
 - New trends in nursing (Theory and practical)
 - Development of nursing curriculum
 - Research design

IV. Works of Examinations Affairs Committee:

- **Examiner for under graduate Courses: Oral and Written as a professor and Head of the Department**
 - ❑ Fundamentals of Nursing (1st Term- First year) (20-2021), (2021-2022)
 - ❑ Medical Surgical Nursing1 (2nd Term- First year)2020-2021
 - ❑ Medical Surgical Nursing2 (1st Term- Second year) (20-2021), (2021-2022)
 - ❑ Critical Care Nursing and Emergency: (2nd Term - 2nd year)2020-2021
 - ❑ Medical Surgical Nursing: (2nd year) 2016-2017, 2018-2019
 - ❑ Fundamentals of Nursing (1st year) 2016-2017,2017-2018
 - ❑ Critical Care Nursing: (2nd year) 2016-2017,2017-2018
 - ❑ Emergency Nursing: Oral - Written (1st year) 2016-2017,2017-2018
 - ❑ Health assessment (1st year)2018-2019
- **As a Member Examiner in postgraduate Courses**
 - ❑ Education (Master student 1st part) as an examiner 2017-2018.
 - ❑ Medical Surgical Nursing (Master-Second Part) 2016-2017, 2017-2018-2019 till 2022.
 - ❑ Doctoral courses for General and specific Medical Surgical Nursing 2019-2021, 2020 till 2022.
 - ❑ Doctoral courses in introductory subjects at first and 2nd semester of examination (Credit Hours Courses), 2021-2022 as follow:
 - Development of nursing services
 - New trends in nursing (Theory and practical)
 - Development of nursing curriculum
 - Research design
 - Research Critique

III. Examination work Committee Doctoral and master level - Faculty of Nursing, Benha University.

- Head of the Examination Committee and control of doctoral exams, 2022
- Member of Examination Committee- Doctoral 2017 till 2021
- Member of Examination Committee first part at master level 2021

V. Participation in Scientific committees in the Faculty

- Member of the college council as the facilitator of the nursing and surgical nursing department. 2016-2017 till September 2018.
- Member of the faculty council as the oldest assistant professor in the faculty. September 2018 Till Now
- Head of the Department council as the facilitator of the nursing and surgical nursing department. 2016-2017 till September 2018.
- Member in the Nursing Laboratories Affair Committee January ,2019.
- Member in of the student Affair Committee 2016- 2017 till September 2018.
- Member in the Broad of Directors of service Center 2017- September 2018. Member in the Measurement.

VI. Research activities

1- Master Thesis

Patterns of Self- Care Practice Among Patients with Chronic Renal Failure Undergoing Hemodialysis. Master Thesis, Faculty of Nursing, University of Assiut, 1993.

2- PhD. Thesis

The Effectiveness of a Pulmonary Rehabilitation Program for Patients Affected with chronic obstructive pulmonary Disease at Benha University Hospital. Doctoral Dissertation, Faculty of Nursing, University of Benha, 1997.

3- Supervising scientific theses

PhD theses

- 1- Effect of patients (Recipients) Educational Strategy on their Health Outcomes Post Liver Transplantation. 2022 (Internal)
- 2- Effect of Self- Management Program on Health Outcomes of the patients with Liver Cirrhosis. 2021 (Internal)
- 3- Effect of Mobile-Based Video Learning on Clinical Nursing Students Learning Outcomes, PhD., 2020
- 4- Effect of Implementing Exercise Program on Pain and Physical Functions among Patients with Moderate Knee Osteoarthritis., PhD, 2020
- 5- Effect of Foot Reflexology Technique on Diabetic Neuropathy Patients' Health Outcomes., PhD., 2020

- 6- Effect of an Educational Program Regarding Double-Check for Safe Chemo-therapy Medication Administration on the oncology Nurses' Performance, Beliefs and Attitude., PhD, 2020.
- 7- Effect of an Evidence Based Guidelines Regarding Port- A- Cath on Oncology Nurses 'performance and Patients' Health Outcomes., PhD, 2020.
- 8- Effect of evidenced Nursing program on post Thoracic Surgery Patients' outcomes regarding Pulmonary care. , PhD, 2020
- 9- Effect of Palliative Care Protocol on Oncology Patients' Outcomes. 2020 (External)
- 10- Effect of an evidenced- based Nursing Guidelines on Thyroidectomy patients 'outcomes. 2020. (Internal)
- 11- Effects of Dual Task Exercises Training Program on Stroke Patients by Master Degree Student (External), 2019.
- 12- Effect of an Educational Program on the Nurses' Performance and Health Outcomes for Patients with Traumatic Head Injury. By Master Degree Student (External), 2019
- 13- Effect of an Educational Program on the Nurses' Performance regarding vascular Access Infection Prevention. by Assistant lecturer in Medical-Surgical Nursing Department, Benha University, 2018.
- 14- Effectiveness of Self-management program for patients with Lupus Erythramatous. PhD, (External), 2018
- 15- Effect of an Educational Program for patients with Angina Pectoris on Their Quality of Life. by Assistant lecturer in Medical-Surgical Nursing Department, Benha University, 2017.
- 16- Effect of intervention nursing guidelines on nurses' performance during administration of high alert medications in Critical Care Units by Assistant lecturer in Medical-Surgical Nursing Department, Faculty of Nursing Beni -Suef University. 2017

Thesis- Master Degree

1. A Study to Assess WHO Surgical Safety Checklist among Surgical Teams in the Operating Room and Its Effect on the Patient's Health Outcomes, 2022
2. Effect of lumbar Flexion Exercise Program on Pain and Disability among Patients with Chronic Low Back Pain. 2021, (Internal)
3. Developing Suggestion Guidelines Based on knowledge, Practices, Attitude, and Psychological response among Nurses Toward Covid. 19 outbreak. 2021 (External)
4. Effect of Nursing Intervention Guidelines Regarding Osteoporosis Prevention on Staff Nurses Knowledge and Behavior.2018
5. Impact of Applying Nursing Protocol Regarding the Patients with Thoracentesis., 2018.
6. Impact of Nursing Guidelines On Nurses' Performance Related to Care for Patients with Chest Tube. 2018
7. Relation Between Nurses' Performance Regarding Evidence Based Infection Control Guidelines and Wound Infection Rate Among Patients in Operating Room. 2017
8. Effect of Foot Reflexology On Blood Pressure and Quality of Life Among Patients with Essential Hypertension by Instructor in Medical Surgical Department, 2018
9. Relationship between Nurses' Awareness, Practice and Their Perceived Barriers Towards Pressure Ulcer Prevention., 2017
10. Relationship between Nurses' Knowledge Regarding Evidence Based Practice for Weaning Patients from Mechanical Ventilation and their Health Outcomes. 2018
11. Effectiveness of Relaxation Technique on Minimize Postoperative Pain at Benha University Hospital. Master Degree in Medical-surgical Nursing, 2005
12. Positive and Negative Aspect Affecting Nursing Learning Process in The Clinical Setting, 2004.

4-Assessor and Examiner

Internal Examiner in Benha University

- 1- Assessment of Nurses' Compliance with Isolation Precautions and Factors Hindering That In critical Care Units at Benha University Hospitals. 2022
- 2- Impact of Comprehensive Discharge Program on Patients' Outcomes after Open Heart Surgery. 2022.
- 3- Effectiveness of physical training program on quality of muscles and activity level among stroke patients.2022. (External).
- 4- Effect of an educational Program on Self- Efficacy for Patients with Myocardial Infraction. 2021, (External)
- 5- Effect of an Implementing Nursing Care Protocol on Critical Patients' Safety Outcomes. 2021, (Internal)
- 6- Effect of educational program on hepatic brain disorder on nurse's performance and patient result.
- 7- Effect of an educational program on patients with urinary stones recurrence. 2020
- 8- Relationship between nurses 'Knowledge and compliance with standard precaution in the operating room. 2020
- 9- Intra-Operative Nurses' Safety Practices: Its Effect on postoperative Adverse Events Among Surgical Patients Undergoing General Anesthesia. Master Thesis, Benha University.
- 10- Developing Postoperative Self- Care Guideline for Patient Undergoing Cataract. Master Thesis, Benha University. 2017
- 11- Predicting The Diabetic Foot Ulcer Risk Sensory Monofilament Test Among Diabetic Patients at Benha University Hospitals. Master Thesis, Faculty of Nursing, Benha University. 2018
- 12- Effect of Nursing practices on preventive precautions to prevent hospital infection among ICU patients.
- 13- Impact of Abdominal Massage on Ventilator – Associated Pneumonia among patients with Enteral Feeding. PHD. Faculty of Nursing Benha University, 2016
- 14- Outcomes of patients' Health and Quality of Life post Coronary Intervention Using radial Versus Femoral Access. 2017
- 15- Effect of Educational guideline on compliance of patients with chronic

hepatitis C virus receiving sovaldi in combination therapy. 2016

- 16- Effect of non- pharmacological Nursing Guidelines on Pain Relief among Patients with Rheumatoid Arthritis. 2017

Examiner as a Supervising

- 1- Effect of Mobile-Based Video Learning on Clinical Nursing Students Learning Outcomes, Phd, 2022
- 2- Effect of Implementing Exercise Program on Pain and Physical Functions among Patients with Moderate Knee Osteoarthritis., Phd , 2022
- 3- Effect of evidenced Nursing program on post Thoracic Surgery Patients' outcomes regarding Pulmonary care. , PhD, 2022
- 4- Effect of Palliative Care Protocol on Oncology Patients' Outcomes. 2022 (External)
- 5- Effect of an evidenced- based Nursing Guidelines on Thyroidectomy patients 'outcomes. 2022. (Internal)
- 6- Effect of Foot Reflexology Technique on Diabetic Neuropathy Patients' Health Outcomes. 2022
- 7- Effects of Dual Task Exercises Training Program on Stroke Patients. 2021. PhD. (External),
- 8- Effect of an Educational Program on the Nurses' Performance and Health Outcomes for
- 9- Patients with Traumatic Head Injury. PhD. Degree Student (External), 2021.
- 10- Effect of an educational program on nurses' performance regarding vascular access infection prevention, 2020.
- 11-Effect of self – management program on pain and disability for patients with systemic lupus erythematosus,2020.
- 12-Impact of applying nursing care protocol regarding the patients with thoracentesis, 2020.
- 13-Impact of nursing guidelines on nurses 'performance related to care for patients with chest tub., 2020 - Master
- 14-Effect of nursing intervention guidelines regarding osteoporosis prevention on staff nurses' knowledge and behavior., 2020 -- Master
- 15-Effect of educational program for patients with Angina Pectoris on their

Quality of life, Phd, 2019, Hend Mohamed Alam

- 16- Relationship between Nurse's awareness, practice and their perceived barriers towards Pressure Ulcer Prevention., Master, 2019.
- 17- Relation between Nurses' Performance Regarding Evidence Based Infection Control
- 18- Guidelines and Wound Infection Rate among Patients in operating Room. Maste , 2019.
- 19-Effect of Foot Reflexology On Blood Pressure and Quality of Life Among Patients with Essential Hypertension. 2019–Master Relationship between Nurses' Knowledge Regarding Evidence Based Practice for
- 20-Weaning Patients from Mechanical Ventilation and their Health Outcomes. Nagat Abd -Elwahab- Master, 2018.

External Examiner

○ **Alexandria University,**

- ❑ Assessment of Learning Needs of Patients with Deep Venous Thrombosis. Master Thesis, Faculty of Nursing, Alexandria University, 2017
- ❑ Assessment of Safety Measures Provided for Patients Undergoing Bronchoscopy. Master Thesis, Faculty of Nursing, Alexandria University. 2017
- ❑ Nurses Medication Administration Error at Medical Surgical Units. Master Thesis, faculty of Nursing, Alexandria University, 2018
- ❑ Health Needs of the Patients with Cholelithiasis Undergoing Laparoscopic Cholecystectomy. 2019

○ **Ain Shams University**

- 1- Nursing Performance Regard Caring for patients Undergoing Blood Transfusion. Master Thesis, Faculty of Nursing, Ain Shams University.
- 2- Factors Affecting Nurses' Performance Toward Central Line Associated Blood Stream Infection in Critical Care Units. Master Thesis, Faculty of Nursing, Ain Shams University. 2017
- 3- Relation between practicing Lymphedema risk reduction strategies by women post
- 4- Mastectomy and stages of Lymphedema. 2018
- 5- Assessment of the self-efficacy and self -care behaviors among patients with Hepatitis C Virus., 2019.

- 6- Factors affecting patients' compliance toward therapeutic regimen post kidney transplantation, 2020
- 7- Biopsychosocial Needs for patients undergoing Total knee replacement, 2020
- **Mansoura University.**
 - 1- Effect of Manometric Based Biofeedback versus Electrical Stimulation Based Biofeedback for the Treatment of Fecal Incontinence in Adults. Ph.D., Mansoura University. 2018
 - 2- Effects of Supportive Nursing Measures on Self- Care Practices Among Adult Colostomy Patients. Ph.D., Faculty of Nursing, Mansoura University. 2019
 - 3- Effect of Exercises Program on Knee Functional Outcomes for patients after Arthroscopic Anterior Cruciate Ligament Reconstruction. 2019.
 - 4- Effect of nursing intervention on prevention of vascular access complications for patients undergoing regular hemodialysis. 31, December, 2019
 - 5- Rheumatoid arthritis: changing patients' perception toward exercise and level of physical activity, 2020.
 - 6- Effect of Implementing Oxygen Administration Guidelines on Nurses' Performance Caring for Patients with Chest Disorders. 2020.
 - 7- Evaluating compliance to World Health Organization Surgical Safety checklist in Operating Room. 2021

Published Researches

- ❑ Effect of Local Heat Application on Complaints of Patients with Moderate Knee Osteoarthritis. American Journal of Nursing Research, 2019, Vol. 7, No. 2.
- ❑ Effect of Nursing Management protocol for Dengue Fever Patients on their awareness activity daily living and clinical outcomes. Novel Research in Healthcare and Nursing, Vol. 6 Issue 2, May – august 2019.
- ❑ The Impact of Chest Physiotherapy Technique (CPT) on Respiration, Pain and Quality of Life Post Thoracic Wall Fixation Surgery among Flail Chest Patients (FC). American Journal of Nursing Research, 2018, Vol. 6, No. 6.
